Acute Respiratory Infections Outbreaks: The Process

1

Notify UKHSA when you have 2 or more cases within 14 days. Tel 0300 303 8162

2

You will receive an email containing outbreak advice for you to implement immediately

3

Complete the UKHSA online Outbreak Risk Assessment (OBRA) tool via the link in the email

4

Once you have completed the OBRA form, UKHSA will be in contact with you (call or email) with relevant advice

5

The IPC team at Somerset CCG will make contact with you 3 days after the outbreak notification

6

Further support calls or emails will be provided throughout your outbreak
