

Shape Mendip

Introduction

Shape Mendip is a new pioneering partnership for redesigning service delivery. Partners are public, private and voluntary organisations with a shared vision based on the five key principles of resilience, prosperity, viability, customer focus and forward looking. A key aim is to create a blueprint for redesigning multi-agency services supported by a programme of transformational projects.

Disabled Parking

Designated spaces for disabled drivers are available in the Visitors Car Park in Cannards Grave Road. If these bays are occupied, the visitor bays may be used, provided that a current blue disabled badge is displayed. All visitors are to sign in at Reception with your vehicle registration number.

Shepton Mallet

Parking at the Shape Mendip Hub

Parking for visitors at the Council Offices is limited and so restricted to 'short stay' only. If you are attending a meeting or training session, please park in Commercial Road Car Park. This is just a short walk from the Shape Mendip site. Please note directions are provided within this leaflet.

Parking for External Room Hire

Parking is only available at the Council Office in Cannards Grave Road after 5pm. For all other times, ample parking is available at Commercial Road Car Park which is Pay and Display.

Interviews

If you are attending an interview at the Council Offices, parking is available in the Visitor Bays. Please sign in at Reception giving your vehicle registration number.

Commercial Road Car Park to the Shape Mendip Hub

Shape Mendip Hub

Mendip's new meeting room suites are now available including our Council Chamber. Please contact us for more information.
