# Why make plans now?

Anyone over the age of 18 can plan ahead. Discussing and writing down your wishes, preferences and goals now means the people close to you, and those involved in your care, will be better able to support you in future.

Come along to find out how Marie Curie can help you make a plan as well as finding out about the other types of Advance Care Plans you can make.

Also join us for some free legacy crafts in the library meeting room throughout the week: 10:30 - 12:00. Write your memoir/creative writing on Friday 10:30 - 12:00
